Moore Council PTA "Rap" Meeting Dates

Several years ago, we began president's meetings or "Rap" sessions to give unit presidents an opportunity to get one-on-one training from council officers and also to get to know each other a little better. We will continue that practice this year. These meetings are NOT REQUIRED, but are strongly encouraged, and they are not only for presidents. Send the committees head, or any one that can relate this info back to your executive board. Council officers will be available to answer your questions whatever they might be, at that particular time. There will be five meetings this year and we will be covering timely issues at each meeting. Such as how to complete the Form 990EZ, how to conduct an audit, filling out the Administrator/Teacher of the Year nomination forms etc. Meeting dates and times are as follows:

September 21st, 2006 9:30am. Administration Bldg. Room 314
